

FROM CHANIA AIRPORT

1. After exiting the airport parking, follow the signs to the National road with direction to Rethymno. Be careful in the roundabouts as many signs are located ON the roundabout before the turn and can be confusing. The general direction is East.
2. On the National road you travel for approximately 80 Km till you have reached your destination. Nevertheless in order to give you some landmarks on the 70th Km be aware for the “Geropotamos” Bridge

3. After the bridge, be alerted. After 10 Km you will find two signs for **Panormo** as seen below:

4. Then you make a right, on the turn (seen above) and you follow the signs to Panormo Village as the one below (right after you turn).

5. You will pass under the national road (see passage below) as Panormo is on the sea-side of the road which is the left side coming from Chania and the right side coming from Heraklion.

6. You enter the village on the following spot (full of signs on your left):

7. Then you follow the central road inside Panormo and your landmarks are
a. the first fork (where you go left exactly as the car in the picture),

b. the “Touristic Train Stop”

c. and the big “Church”.

After the church you make a right on the second street (pointed by an arrow in the picture) following the signs to the Marine Palace. Then you make a left following the course of the road.

8. You pass in front of the Marine Palace (It is on your Right) and you enter the Sand-road (seen in the first picture).

9. You continue on the Sand-Road until you see the Panorama Seafront Homes Sign on your right (the road is asphalt now) and the first houses of the project is in front of you (as seen in the picture below).

10. Then you make a right turn (as the arrow) and you have reached on a small “square like” opening and you can park your car.

11. SUNSET 31 is in front of you.
